

Cahaba Educational Materials

Although primarily of interest to Cahaba providers, the following Medicare home health materials are available free of charge to anyone who accesses the Cahaba Web site:

2008 Case-Mix Refinement to the Home Health Prospective Payment System (HH PPS) information:

http://www.cahabagba.com/rhhi/education/materials/hha_refine_pps.htm

Calendar of Upcoming Educational Events:

https://www.cahabagba.com/apps/course_registration/ia/calendar.jsp

Claims Filing information:

http://www.cahabagba.com/rhhi/claims/home_health/index.htm

Coverage Guidelines:

http://www.cahabagba.com/rhhi/coverage/home_health/index.htm

Online Courses:

http://www.cahabagba.com/rhhi/education/online_courses/index.htm

Quick Reference Tools:

http://www.cahabagba.com/rhhi/education/materials/quick_hha.htm

Cahaba also has Frequently Asked Questions available at

<http://www.cahabagba.com/rhhi/faqs/index.htm>

as well as Resources for the Most Common Home Health and Hospice Medicare Questions found at

http://www.cahabagba.com/rhhi/claims/provider_resources.htm

These are based on the most common questions answered by our Customer Service Representatives, and provide information on a variety of topics including:

- *Determining the primary diagnosis for home health patients;
- *Calculating home health payments;
- *Defining routine and non-routine supplies;
- *Home health consolidated billing requirements;
- *Appealing denied claims;
- *Submitting cost reports to Medicare;
- *Reporting Medicare fraud;
- *Completing the provider enrollment process and CMS-855A form; and
- *Determining when to use the Home Health Advance Beneficiary Notice (HHABN) or expedited review forms
