**P = Primary meeting location** – all meetings will begin and end in the primary location

**S= Secondary/Subgroup location**

Meetings will start as one large group, then split into 2 or more groups and come back together in the afternoon. Guest seating is very limited.

The Carson room is located on the first floor inside the main building (building A) on the Colorado Department of Public Health and Environment campus. The HFD Training Room (requires employee escort) is on the second floor of building A and C1B, C1C and C1D are 2 buildings south of the main building. Building C requires an employee escort to enter the building and HFD training room requires an employee escort. A cafeteria and snack shop is located on the first floor of building A.

Visitor parking is available in designated areas on the east side of the campus, surrounding around building A, and south of the third building (building C).

### **Directions for attending via conference call:**

1. Call access number 1-712-580-7702
2. Select Option 2 to join conference call.
3. Enter the pin number: 6922901 followed by the # key.
4. Announce yourself and mute the phone when not speaking.

The conference phone will be available in the main meeting sessions.
